Delete Browsing History

☑ **Preserve Favorites website data**
Keep cookies and temporary Internet files that enable your favorite websites to retain preferences and display faster.

☑ **Temporary Internet files and website files**
Copies of webpages, images, and media that are saved for faster viewing.

☑ **Cookies and website data**
Files or databases stored on your computer by websites to save preferences or improve website performance.

☑ **History**
List of websites you have visited.

☐ **Download History**
List of files you have downloaded.

☐ **Form data**
Saved information that you have typed into forms.

☐ **Passwords**
Saved passwords that are automatically filled in when you sign in to a website you've previously visited.

☐ **Tracking Protection, ActiveX Filtering and Do Not Track**
A list of websites excluded from filtering, data used by Tracking Protection to detect where sites might automatically be sharing details about your visit, and exceptions to Do Not Track requests.
